Finally,returning her last phone call & person answering in a cold manner told me she had deceased.I hung up,to grieve over the loss of my special friend.She was one of a kind,self developed woman,who loved her independance,playing dominoes,fixing her asparagus to eliminate her cancer,which worked,catching the bus to go where she wanted....I regret I was late returning her last phone call...I pray God sends me another Bessie - like friend.Her 2 sons had a mother,the kind kids need today...a loving ,firm motivator...I miss her!
