“ *Please accept my deepest condolences on the passing of Mrs. Betty Hill. I came to know Mrs. Hill many years ago when I joined the faculty at Northwestern High School. As a new teacher to the building, Mrs. Hill made me feel welcome. She was a dedicated and talented educator who deeply cared for her students. The social studies and business departments shared the fourth floor, and I came to enjoy Mrs. Hill's kindness. She was an outstanding educator, and after several years I wound up at another school. I will always be thankful for having known Mrs. Hill.*
