“ Lord aunt Betty I didn't think that that was the last time I was going to see you and your beautiful smile. You been a aunt since I was a little girl and we always are still family even though I am not going to see and hear your voice we all were hurt by you passing away you don't have to worry about pain and suffering no more. Weeping may endure for a night but joy is coming in the morning. The last thing you told me was Nett come next year for me and I said okay auntie. Your sister is trying not to take it hard but she knows that you loved her and she loved you. But get your rest in heaven with uncle James and uncle Ellis missing them also.
