“ *Im just now finding out about my girl Betty!!! Im am very saddened by this news ,my prayers are with her husband, sons, grandchildren, family and friends!!! I worked with Betty back in 2013-2015 at the Coleman A Young municipal Center and I absolutely adored her!!! She really looked out for me ,I was in my early twenties back then ,she fed me many of days ,as well as paid for my parking a few times ,so I didn't have to park and walk far in the colder months.. Though we had yearsssss between us, I considered Betty a friend and am grateful to have known her!! Thanks for all the love, wisdom and Just everything*
