“ We are saddened beyond measure in the passing of your dear wife, mother, sister, Mother Beverly Cornwell Bryan. Her life was filled with love, courage, and endless faith in Jesus Christ our Lord. My first glimpse of the Pentecost experience was with Beverly as childhood friends at the church her family attended. We lived on the same street, attended church together, were in the New Light Choir together for many years. We shared many good time and sad times together down through the years. Beverly's voice ranged out like a bird to God on many occasions. Just on last year (the Lord made it so) we must have talked about many things for more than an hour. God only knew. She was a faithful Soldier in the Army of the Lord. God bless the Bryan and Cornwell Family! Love you all Sharon Rayford Cole

“ *Mr. Bryant, Kevin and family, I am not sure if you remember me, but Beverly and I worked together years ago. I have only seen her a few times in the past few years, however, she remained unchanged. Still a loving, kind and wonderful person who loved her husband, son and family. Of course Beverly is not lost to us because we know where she is. May the thoughts and remembrances of her and God's promises comfort you in the times to come. Narvia Twyman B*

“ *I am very sorry to hear about your loss of Beverly. May the memories that you have with her be treasured and cherished. At Isaiah 25:8, it gives us a hope and a promise that one day God will wipe out the tears from our eyes and get rid of death. This is something I personally will look forward to. May the love and support you receive from family and friends help you to find comfort during this difficult time.*
