“ *Beverly was my teammate at Brace-Lederle. I am very sad to hear that has passed. My memories of Bev was she was always laughing. My deepest sympathy to Steph and the kids.*

“ *Mrs. Thompson was my daughter's kindergarten teacher. She was the sweetest kindergarten teacher in the school. She instilled so much knowledge in me. Teaching me how to overcome all odds and giving me ideas of how to juggle school, work and my motherly duties. She always had something healthy for me to try in the form of juice. When my baby left her classroom and transitioned to the first grade it was hard for her. She wanted Mrs. Thompson back. Mrs. Thompson was right there every step of the way. She led my daughter and I through the first grade. I had twins and my son didn't have the opportunity to be in Mrs. Thompson's class but it didn't stop him from loving her as if she was his own teacher. Mrs. Thompson's transitioning to be with the Lord is very hard for my children and I but I know that her legacy will live on forever. I will keep the family uplifted and prayer and had I known about the services I would have been there. I thank God for letting me cross a beautiful earthly angel. I love you Mrs. Thompson rest well and continue to shine your bright wings on Parris Pierre and I.*

“ I only knew Bev for a short time. When I went to Brace, she came down to my room, introduced herself and welcomed me. She was always so nice to me and helpful, too! I pray that God keeps His loving arms around her family, friends, and all those that knew and loved her! And may God continue to comfort you all!

“ Sending my heartfelt sympathy and prayers to all of the Thompson family and friends during difficult this time. My grandson, Lee, was in Mrs. Thompsons kindergarten class last year. From the very first day of kindergarten Lee and I came to adore Mrs. Thompson. She always made me laugh and her lively spirit, caring and patient approach with her class was truly admirable. This school year, Lee and I typically arrived at the school in the mornings around the same as Mrs. Thompson. Lee would hold the door, give her a hug and tell her he loved her. It is still truly a shock and I cry even now but I know that Gods strength will see us all through.

Love,

*Ivy and Lee Phillips-Adler Elementary/ 1st grade student and family*

“ Sending my deepest condolences to the Thompson family. Beverly was my afternoon coffee "buddy" almost daily at Adler. Words cannot express how much I will miss our talks and especially Beverly lending her listening ear whenever I needed to "vent" or our talks about our families and life in general.

Knowing she is at peace is comforting, although those of us who held her near and dear continue to struggle with the loss. I will keep the family lifted in prayer and in the coming days may you find your peace as you reflect upon your loving memories of her.

“ I send my condolences to the Thompson Family during this difficult time. I pray that God comforts each of her family and friends. Mrs. Thompson was something special I met her last year during a field trip to Adler and I fell in love with the principal and Mrs. Thompson I came home to tell my mother how the atmosphere at Adler was great. I hoped and prayed that my daughter had Mrs. Thompson as her kindergarten teacher her room was cozy, and her personality was cozy too turns out my wish was granted we received Mrs. Thompson as my daughter teacher for the school year 2019, she called my daughter the "grown little lady who is going to run all of her errands for her at school", Mrs. Thompson will be truly missed.

Much love sincerely,
