“ *To Angela & Sherene & Family,*

With Sympathy.

At This Time Of Sudden Loss,

Many hearts go out to you at this time of such disbelief and sadness.

And through no one

can take away your sorrow,

may the support and concerns of others

help give you the strength you all need from day to day.

Beverly left us with many fond memories, I will always keep my near,

Love and Prayers

“ Angie and Sherene~

Words cannot convey the pain I know you must feel; I ache with you - and for you - now~

May you find the comfort and peace you need in the shelter of the arms of the One who created us all and gave us your mom to cherish all these years.

May you be graced with the strength you need to stand in the midst of this dark time. And may the good memories you have of her sustain you and give you solace as you journey through the coming days.

The memories I have of her are precious ones: enjoying high school activities together, working together, sharing our dreams, sharing our pain, sharing our joy - just being friends and being together when time and circumstances would allow, and being with one another in spirit in between those times.

I will miss her, too; but I trust that she will be praying for us. I love you two, and am here for you.
