“ I will deeply miss my cousin Sue. She taught me how to organize and plan and was always thoughtful in her approach. Her love for family and her remarkable classiness made her a truly special presence in my life. Love you always, Tori! ❤️

“ Sue had a tremendous amount of love for family. There is one fond memory that I will always cherish and hold near and dear to my heart. It is how she always acknowledged the “little ones” birthdays of the family. As a kid, that is something that you’ll never forget as you grow older. She made us all feel special and have something to look forward to even if we didn’t get any other gifts. This is one beautiful soul that is truly going to be missed. Rest in Paradise 🙏🕊️. Gone but never will be Forgotten ❤️
