“ Bizzle, I was thinking about you today, and realized we had lost touch in the last few years. I jumped on google to see if I could track you down and found this. To say I am devastated is an understatement. I'm so sorry it took me this long to realize just how long it had been since we spoke last. I'm so sorry this is how I found out the world lost you. I wish I had known sooner. I can't stop thinking about Morgan, wondering how she is. I hope she is well and I pray your mom and family are as well. Love you girl! - Jeezy

“ Mrs. Gaines - my heartfelt condolences go out to you and your family on the passing of your daughter Blair.
There are no words I say to ease your pain at this time. My prayer is that the love of family and friends will circle you, hold you and comfort you; that the memories of your Blair will eventually comfort you.
Know that you are in my heart and prayers.
