“ *To Howard and all of the Fueri Family. I am so sad to hear of Bobbies passing. She was one of my best friends and I will never forget all of the good times I had with your mom when I was a kid. Bobbie always knew how to make me laugh and was always there when I needed her. I know that my father was waiting to meet her when she arrived in heaven. I know that with faith in Jesus Christ you be able to heal. I love you all and will keep you in my prayers.*

“ *To Chris and the Fueri Family. I extend my deepest sympathy at this time of loss for your family. Chris I did not have the pleasure of meeting your mother, but I feel as though I know her from the stories that you shared about her. You look like your mom. Because of faith in Christ Jesus we have the promise that you and your family will see her again in a new heaven and earth. Love Katherine*

“ *Bobbi was a friend, colleague and soul mate who served with me on the Planned Parenthood National Board. She was a wonderful person. Her smile was beautiful, her laugh, infectious. She lit up a room. We planned and plotted many a time to advance social justice issues and promote health care access for all.*

Bobbi leaves an amazing legacy and will be missed by all who had an opportunity to know her.

My condolences to her family and all of those who loved her so.

“ Howard and Fueri Family,

I am so sorry for your loss. I have so many happy memories of all of you kids and Dwayne and Dean growing up on Muirland and the times we had together. We had block club parties, dinners back and forth, and kids in and out of both our homes. There were fun times and there were serious times. It was a wonderful time and place for you kids.

Bobbie will always have a special place in my heart as do all of you. I am very sorry I cannot be with you this week, but I will be thinking of you.

*With all my love
Sharon Elliott*
