“ *My Deepest Condolences to the Buchanan Family and Friends. Brandon is one of my best childhood friends, teammates and classmates. I enjoyed many great memories and experiences with Brandon from our championship little league football team Southfield Jayhawks to our times in school at Birney Middle School and many other great experiences. Dr. Buchanan I appreciate the kindness and hospitality you and Mr. Buchanan exhibited when I would visit your home throughout childhood. Your home and family was my family my community that provided the nurture and love for a foundation of success. I remember always enjoying hearing about you and my mom your Delta Soror Lenore Harris catching up at the annual sorority meeting. I am so proud of the man Brandon became and inspired by the lives he has touched and his legacy of greatness he leaves behind. I feel grateful and blessed to have known and shared many life experiences with Brandon.*  
*Love Tony Harris and family*

“ *Mr. Buchanan was my student teacher in 3rd Grade. Until him I don't ever recall seeing a black man graduate and come back to his community. After he graduated from FAMU, he returned to the school and was a guiding presence until I went to High School. Years later I went to fight a ticket and saw that he was the lawyer for the City. My cousin used my name and got a ticket and I only found out about it years later. He lovingly corrected me, well moreso just corrected me.*

*As a Pastor, I'm aware to be absent from our body is to be present with the Lord and thankful that GOD saw fit to allow our paths to cross. I'll be praying for his family.*

“ Brandon was awesome! So intelligent! I enjoyed our chats that lasted for hours. Every call would end with him saying I love and miss you. We would laugh and joke and catch up. So hilarious! I pray for the family whom I consider my family. Ren
