“ Dear Baby BJ,

I am completely heartbroken that you left us so soon, but I am thankful for the time I did have with you. I remember when I first saw you, you were so tiny and looked just like B! You surpassed the horrible odds you were placed against by making it as far as you did, you were definitely a fighter. Even though you aren't here in the physical sense you will always be in my heart. I find peace in knowing you aren't in pain anymore and your flying high in the sky! I'll never forget your smile, or how whenever I'd say open your eyes BJ you'd just open one like you were winking at me or how you always stuck your tongue out. Make sure you watch over us especially your parents and save us a spot in heaven. Until we meet again BJ, I love you!

PS

“ No words can really express the loss of a child. The Bible says at 2corinthians1:3&4 says that the God of all comfort and the father of tender mercies who comforts us in all our trails so that we may be able to comfort others in any sort of trail with the comfort that we receive from God. With deepest sympathy.
