“ *R.I. H Brandon! I just want to tell you how much "I Love you" and even though we haven't seen each other in years doesnt change the fact that we grew up together, and you were like a lil brother to me. In fact you are my little brother. We have so many memories coming up and i am happy to say that they were good memories, exept when me and you use to fight all the time lol but we were kids and we got over it. But I Love You Brandon and may you rest peacefully.
Love, Manda*
