“ I would like to send my condolences to the family...Brandy B was not only my co worker but a friend, one of the sweetest person I know. Always sharing and being helpful, her smile and personality always brings joy to any room. I will truly miss her, although her journey here is done I know heaven has gained another beautiful angel and she will continue to watch over all of us

*Love Brie* 💜

“ Part of the Erma L.Henderson crew she was more than just another student. Brandy was cool, layed back and always enjoyed hanging with friends or being on the dance floor. My heart goes out to the family and will continue to keep everyone who knew Brandy lifted up in prayer during this difficult time.
