“ *What I'll miss most about you, Auntie B, is your infectious "you go girl!" You were such a wonderful person, and you deserve all the happiness in heaven. Rest in peace. Your smile, curiosity, and endless jokes will never be forgotten.*

“ *Auntie B, you were truly one of a kind. You were the only person to call me and leave voicemails stating what date and time it was lol. And the only person still keeping Tim Hortons in business. Your laugh and witty personality will be truly missed. I am thankful for everything you did for Jay and I. Thank you for always being you. No one will ever bake a cake better than you. Rest in perfect peace.*

“ *The Love of an Aunt*

Some will never experience the love of an aunt like you.

You showed how much you cared for each of your nieces and nephews —

whether it was through a phone call, a burger, or a simple smile, we always knew you loved us.

You were one of the kindest, most giving, and caring people I have ever known.

You would give the shirt off your back and go without, just so your loved ones could have what they needed.

Your life was perfect in your own way.

You faced your illness with strength and grace —

no complaints, just laughter and those unforgettable corny jokes.

You will be truly missed.

Thank you for the love you expressed,

the jokes, the smiles, and the hugs you shared so freely.

You are now in perfect peace,

surrounded by others you can continue to love on.

I will forever carry you in my heart.

With Love Always,

Your Niece, Fanay
