“ *Brenda, you was like a sister to me, I will forever cherish all the good times we had together, we laughed, we cried, we partied, we watched our kids grow up together, we worked together, celebrated holidays together, I will truly miss your beautiful smiling face, calling you to see how you was feeling. I'm sad to see you go, but I know you're in a better place where there is no more pain and suffering. You're gone but will never be forgotton. R.I.P. my sister.....*

“ From the Canty girls, Gin, Liz, Barb, and Sandra and the younger girls, we will truly miss your smiling face and your hardy laugh, you could get so tickled. I know you went to PHS school with Barbara but we all had so much fun with you and we loved you. We pray for comfort and peace for your family during this time of grieving. May the Lord continue to comfort your family and friends and give them peace they need to get thru this. Liz Canty
