“ In my eyes, Ms. Henry was the matriarch of Western International H.S. She loved every student and was dedicated to helping them plan for their future. My most memorable memories of Brenda were observing her "tough love" talks with students. She always knew the right words to say to motivate our youth. She was an Angel here on earth teaching students the act of giving through "Toys for Tots". Ms. Henry will be missed! Thank you for your unwavering commitment to the youth in my community.  
Te extranaremos!!!

Love,

Your former colleague, administrator, and friend,

“ Ms. Brenda was a Coach at Western High School and a staff member for DPSCD. She was such a nice person and had such a pleasant disposition. She lit up the room when she arrived and was funny and happy. She will definitely be missed.

“ Just wanted to send my condolences to the family for your loss. As a coach for the Tabernacle Missionary baptist church youth basketball team years ago she showed leadership and compassion. As a member of the silent ministry she was great and made signing look so easy. I remember how she was able to teach a youth choir how to sign a song for a concert. She will be missed. Rest in peace
