“ To the Entire Family and Friends of Brennan, it's with great sadness that we pause to send to everyone Our Deepest condolences, friendship and love. We are praying that the Lord above will continue to give you the much needed strength, comfort and understanding as you travel this most difficult journey. Even though I personally only meet Brennan once, he had a pleasant and kind spirit with a beautiful smile. Will, know that you and your family are surrounded by friends both far and near. Those precious memories that you have of your Beloved brother will linger in your hearts forever. We too will rejoice in celebrating a life well lived. Because he finished all his requirements here on Earth, and will now Rest in Peace from his labor. This is not "good-bye", but we'll see you in the morning at the reunion on the other side. Keep the Faith and Hold to God's unchanging Hands. Blessings and Love always.
