“ *I was just thinking about when you were just a little baby and the first time me and Lavett heard you burst out laughing. We were having a conversation and we started laughing and you did too! Like you knew what we were saying! I miss your laughter and your crazy sense of humor. I miss you so much and I'll see you soon. Sleep peacefully we gone have a lot of catching up to do. I love you. “ God bless my beautiful sweet cousin Breonca, visiting with her in Chicago this year and just listening to her talk about her kids was just so refreshing. She loves her family so very much. I had on some black and white sun glasses and she wanted them so of course I gave them to her. I was so proud to be her big cousin this is what she always called me.

I was so happy to see her in Dallas this past November she said she wanted to see her family and to make sure we were all ok. She had a really big heart, and a very beautiful smile. She gave me a big hug and told me she loved me when she left Dallas. I will never forget my sweet cousin Breonca.

I introduced Breonca to her Anderson family they were so happy to know that she was a part of their family also. She was embraced by everyone, I can still see her walking around the house that night she got to Dallas. I will see you again one day.

Love you always
