“ I want to express my deepest and heartfelt sympathy to the entire Bracy family during this difficult time. Brian's lost will be felt for a long time to come from family, longtime friends and people he briefly met. He always had a smile on his face and enjoyed life and wanted everyone else to have a good time. He could always make you laugh even while you were trying to be serious. All we can do is remember the happy times. God has another soul to entertain his angels.
