“ I love you Brian we shared so much together. Our love was so unbreakable my heart is broken by this. We talked about marriage and kids I thought I had more time with you. I'll always love you not even death can take that away. I know you were in my life for a reason our bond was so strong. You loved my son like he was your own and he misses you so much. I love your mother with all my heart she raised a wonderful man and we will see you again. Rest baby God has you now.

~ Love Ashley ~
