“ My classic music guru!!! I enjoyed sitting with you listening to old music for hours. I lost just about every bet trying to guess who the artist was though. I could have been rich by now!

You said to me one time, "you're cool people because you have no agenda..." And that's the same way I felt about you. Just a genuine nice person who enjoyed good convo and company. Always kept me or anyone around you laughing.... or arguing (lol). Either way, it was always a great time and a pleasure to have known you.

May your close family and friends be given the peace that excels all thoughts to keep them comforted during this time.

PS. I never did get my copy of your "book"...

I find myself thinking about you and feeling sad, then I hear that laugh and I smile. You were truly a blessing to everyone that surrounded you. You will truly be missed my friend.
