“ So one day Brian came to pick me up from home and he wanted to go downtown n meet up with some of our friends. But I was done cleaning n doing my chores. So when he knock on the door my mom open it and let him in then told him that if he want me to come outside he better start helping me. So he did he started washing the walls n helping with vacuuming. He was one of my mom’s favorite friend that I have. He called my mother Diva Deloresse. He has been my brother ever since.
