“ *This young lady was truly a light and I didn't even know her personally; I followed her on facebook because of her touching videos and that was back in Sept 2014.... Today I'm just NOW seeing an OLD post that she passed Oct 2015.... truly saddened of her passing. But I do know her spirit lives on and she was truly a child of god and a awesome spirit and light. R.I.P lovely angel.*

“ I remember seeing Briana around the Middle Georgia College campus in Cochran, Ga when I was a former student. Although I didn't know her personally, she was always smiling and laughing with friends. She will be missed by many and forever loved in their hearts and always live on in their minds. You fought long and hard and are no longer in any more pain. You are the true definition of a fighter and will not be forgotten. May your family draw strength during this trying time. Rip, love!

“ I didn't know her personally, however I followed her story on Facebook. It was her story that helped me get through the death of my Godmother whom also loss her fight with cancer. Cancer is such an evil disease, some people are too precious to live with it. God proved she was one of them!
I pray that you find comfort in knowing that to be absent from the body is to present with the Lord!

“ Hey Briana. I know we did not know each other very well but I'm an aunt who loves you dearly and I prayed for your good health a lot. But now you'll be looking over your mom, your brothers and the rest of us you left behind to be with Grandma & Grandpa Ray. You have earned your rest young lady as you fought a valiant battle in a very short life span. Oh how LOVED you are and will forever BE. Later my sweet niece. Auntie kim
