“ My memory of us is my Terry teaching me the facts of life. You watched me grow into the woman I am today. You were very wise and strong. I always wondered why you had to be so strong. Now I realize you were being strong for those you loved. You carried me when I was at my weakest. Now, my friend, I need to utilize the tools you gave me so that I may carry on. So, my memory is remembering that now I must be strong.....
