“ I’m deeply saddened by this loss of my friend, mentor and former boss. For many years, we shared meaningful conversations, especially about the challenges in the workplace. His wisdom, support, and understanding were invaluable to me, always offering guidance and encouragement.

*Losing him feels like losing a part of my foundation. My heart goes out to his family and loved ones. I’ll carry his lessons and our shared moments with me always.*

*Rest in peace, my dear friend.*
