“ Our heartfelt condolences to all of Bryant's family and friends. The Morrison clan will miss Bryant's cheerfulness as we collectively strained our muscles and minds during our workout sessions with him. He truly was an amazing man. We miss him and may he train all of those in heaven as God has reserved a special spot for him to be sure.

“ *Sergeant Bryant and I often engaged in lighthearted verbal sparring over peanut butter cookies made by our coworker's sister. He was always pleasant and smiling. He brought cookies over to my office a couple of times, and we'd laugh about his generosity.*

“ *SHARING YOUR LOSS HE WAS A WONDERFUL PERSON, I WILL MISS HIS SMILE AT LINCOLN HALL OF JUSTICE*

JIMMI SMITH - September 10, 2020 at 09:44 AM

“ *Searcy was a friend first, co worker second. He had the ability of noticing your natural gifts and making you improve on them. If you are doing good or bad in life, he always made things better. A beyond caring person without putting forth any effort. I told him I hate reading books. He would say brother Walker read this book. So yeah, I would read the book and say what else you got for me to read. He would always say he was trying to get where I was mentally and I was trying to get where he was mentally. He will be greatly missed. Just like chicken noodle soup, he was good for the soul.*

“ Bryant Searcy came into my life in 2016 at Jump Gym. Bryant was such a kind and inspirational man, he always had something positive to say. Even if you tried to say something slick, he would flip it on you real quick. And when you thought you wanted to give up, he made you believe you had everything within you to keep going. I am going to miss his spiritual lessons and his beautiful smile. As a Dentist teeth are the first thing I see most times. Bryant's smile was as bright as his personality and his spirit. My heart is truly saddened. Well done! Rest in heaven thy good and faithful servant! Michele Bloxson

“ I had the pleasure of working with Cpl. Searcy a few times, and right out the gate you feel an aura. A man who has deep compassion, honesty , integrity and love of life. We shared some thoughts & views on various topics and a common one for us both working out. An infectious smile that could turn your bad day into a great one, just by looking at him. Rest easy Brother we got it from here. 🙏🙏

“ Keith and I were so devastated when we heard of Bryant’s passing. He was the epitome of a gentleman; a man who loved God, his family, and life in general. We will miss our 4th of July cookouts with him! We are praying for Sherry, Chasadie, and all the family, friends, and colleagues of Corporal Bryant Searcy.
