“ Stacee,

*Words can't express how sorry I am about the loss of your father. I wish I could tell you that the pains gets easier to cope with. However, I can say as a person who has lost a parent it will evolve into more joyful memories of such wonderful times in your life that you have been influenced by your dad who was a strong and loving father who showed how you should be treated as a woman. Whatever you need I am just a phone call away. Love you my friend!!!*
