“ *God, I know You see my friend Renee. Today, would You remind her that You've not forgotten her? Your Word says that You are near to the brokenhearted, and that You will never leave her or forsake her. Father, help her to have confidence in your deliverance even when it seems so very far away or looks different than what she had in mind. Give her and her daughters strength and peace during this difficult time in their lives. I ask this through Your Son, Jesus Christ our Lord. Amen.*

May God bless you and comfort you and my deepest sympathy to Burt's family and friends.

It absolutely saddened our hearts at Delta Air Lines to hear of your passing. We appreciated how you took great care of us in the baggage service office. Your skill and professionalism was epic. You always had something funny to say to us that brightened our night (we were all midnighters) We send our deepest condolences to the family. He will be missed.

*Our prayers to you,
