“ *Analise, it was a pleasure to meet you and your grandmother, at the same time...and thereafter, never did I see one without the other. Grace was in her presence, she spoke with such pride of you and her interest in the people of her City. Would that I had the of knowing her longer. She has led the way for you to follow. “ My sincere condolences to the family of Cousin Callie,

Though drifting apart as we grew older, I remember the adventures in Sunday School with Grandma Anna Smith, and the fun we had with our other cousins at the annual Easter Egg Hunts at our grandparents home. May you rest in peace in the Arms of God Dear Cousin Callie.
