“ *We are saddened to hear about your family loss. In just a little while all of the pain and sorrow that we feel from the death of our love one will cease and be replaced with joy, because the former things have passed away. Sorry for your loss.*

“ *Calvin will be surely missed. He's left an indelible impression upon all who were blessed by his presence, especially upon the Jackson Family. So many fond memories and life lessons shared, culminating with Salvation for us both. Praise God. Calvin always had proverbial insights pertaining to life with assigned sayings like.... "Do your waiting at the station," and his visits were typically announced with, " I just came by to see if you were in the land of the living." He had a fine tuned appreciation for finer things and higher stations in life, which he readily shared. He loved his family and took lead of the household, with the intent on readying his endeared younger brothers and sisters for such a time as this, ruling with strong but sugared discipline. We are grateful unto God for the comfort in knowing he's reached higher ground and new heights in Glory, the ultimate higher station. He would want all of us to meet him there. Live life to meet him. Our thoughts and prayers are with the Boswell family. Love, Poppie, and Jackson Family.*
