“ Calvin Hamlin or should I say Dr. Calvin Hamlin, graduate of Morehouse College and Howard University College of Dentistry, yes, he's a Dentist. He was my roommate at both institutions. I admired his brilliance and his ability to light up any room. As young men from Detroit we dreamed together, while at Morehouse and later at Howard. He brought so much pride to his family with degrees from both institutions. He would continue to serve his family by helping to create a Detroit institution with Strictly Sportswear. Family was everything to Cal. My sincere condolences to the Hamlin family, friends and his community. He will be missed, i miss him as a friend and my brother. Rest well Dr. Hamlin.

“ *Calvin was my Morehouse College classmate. We spent 3 of the 4 years there taking the same core Biology Major courses. He was always a “bright light”...fun, encouraging and positive. I thank God that I was able to convince him to start coming to homecomings over the last few years. When he and his best friend, Dr. Phil Saddler, would show up, the party would start and everyone’s smiles got bigger and brighter. God Bless his family. 🙏. Dr. Rod Edmond, Morehouse 83’*

*Calvin and I are Morehouse brothers. Saw him at homecoming 2022 and a chance meeting (our last) in front of my office in downtown Detroit. Always a good brother, friendly and fun. Never thought for a minute our last meeting would be our last meeting. Calvin will be missed!*
