“ *Uncle,*

*I will truly miss the times we shared together: the phone calls (especially our conversations regarding politics), family reunions, family dinners, family outings, and the Detroit siblings lunch dates (Mom, Bettye). You were such an all around guy...but most of all, you loved your family. When we lose a loved one here on earth, we gain an angel in heaven that watches over us. I take comfort in knowing that you have made your journey home. No more pain, just joy and laughter all the day long!..*

*What a joy it will be to see you, my family and friends when I get there!!!*

*Love you dearly,*

*Your niece, Ann*
