“ I have been blessed to have the Moore boys come through OPHS and, Cam was the last Moore baby boy to adorn our halls and spread positive energy , laughter and joy. I remember his fathers words when, Cam entered as a sophomore student and, his smile and laughter because; he was going to be the last Moore son to walk our halls. I send prayers of peace and comfort to Cam mother, father, siblings, relatives, friends, classmates, educators. May GOD allow you to meet again in the next life. It is my belief that, we know where Cam spirit will dwell for eternity, in heaven with our father from which he came.....
