

## Mr. Carl Thomas

January 25, 1961 - December 8, 2020

In Loving Memory Of:

Carl was born on January 25, 1961 in Detroit, Michigan to Elise and Willie Thomas (both who preceded him in death). Carl passed away peacefully on December 8, 2020 at the age of 59, from stroke complications. Carl fought with everything he had to stay here, especially for Philip.

Carl worked at STEP (Service To Enhance Potential). Carl was one of their best workers. His goal was to have a high production rate. Which meant to him a big pay check. Carl loved money. He tell me "Sister I made a big, big check. Carl worked hard". Every chore he performed, the price was a magical \$50.00. Even for his birthday who would tell everyone that he wanted \$50.00. Carl and his brother Philip were very close.

He made it a priority to take care of his brother (who is mentally delayed also). When they came to stay with me. I had to teach Carl that Philip was capable of doing some things on his on. His dream was to have a duplex. For Philip and he to share. Carl was forever drawing pictures of their duplex. Up until the last time I talked to him.

To know Carl was to love him. Although, he could be a challenge at times. He love to dance, watch his favorite movies over and over again. A fortune has been spent replacing his movies and Goodies but Oldies CD's every Christmas.

Carl's loving spirit was known throughout the neighborhood. He would shovel snow and rake leaves for the senior citizens. But, I had to keep a watch on

him. Carl would try to charge money on the slight (even though I was paying him). You guessed it \$50.00 dollars.

Carl was the family historian. He kept up with all birthday's, holidays and important events. If anyone needed prayer he would be first to say that he would be praying for them.

As, you can tell I could go on and on talking about my brother Carl. His sudden passing has left a whole in my heart. He will forever be sorely missed. But, he will forever live in my heart, thoughts and memories.
