

Ms. Carla LaTonya McShan

September 3, 1969 - November 26, 2018

Carla's Story:

Carla LaTonya McShan was born on September 3, 1969 to Idonia and Arthur McShan. She was the last of six children.

Carla attended Highland Park Public Schools, graduating from Highland Park High School in 1987. She had a genuine love for the city of Highland Park a.k.a. “HP” and was a true “Parker” until the very end. She went on to attend Central State University, becoming the first college graduate in the family—earning a Bachelor’s of Science in Psychology in 1993.

Carla accepted Christ at an early age at First Glory Missionary Baptist Church under the leadership of Rev. Harvey M. Grissom.

Carla gave birth to her only child, Armon Ramone Howard on November 14, 1996. When mentioning Armon, Carla described him as her “first love,” and it truly showed in their relationship.

Carla met the love of her life, Andre Threkeld in 2011. They began dating and were together until her death.

In her early adult years, Carla worked for American Axle Automotive Plant, which she loved dearly. Carla went on to work in the field of Psychology at

Team Mental Health for several years. In February of 2017, Carla obtained her dream job working for the State of Michigan at Walter Reuther Psychiatric Hospital.

Carla enjoyed cooking/grilling, spending time with friends and family, doing yard work, traveling, and her make-up—especially her signature red lipstick. Carla was so full of life and had a heart of service. She shared love and a smile with everyone she encountered. Carla was such an incredibly sweet soul and will truly be missed by everyone.

“ To the family of Carla McShan,
I am so very sorry for your loss. Carla and I
worked together at St. John Providence
Hospital. Carla would leave Providence to
head for Kingswood (Henry Ford System),
and I would leave for Maplegrove (Henry Ford System). We would
say to each other, "Gurl see you next time".
Carla, always had a smile even when she wasnt at her best.
....that's the memory that I will hold onto, that pretty smile.
R.I.P Carla

“ I remember when we were in elementary school we would take turns of who would be the boss or the leader one week I would be the leader and then next week she would be and somehow it turned out she remained the boss until the end of the school year LOL We had to be about 7 years old 2nd grade Mrs Crowley class. That's where our long-lasting friendship began.
