“ So saddened to hear of Carla's passing. She worked on the Secretary of State BAM project & commuted daily. She shared pictures of her son & had such a positive, upbeat personality. Please know that your loved one was liked by many & will be missed. May you find comfort in knowing that others share in your grief.

Thank you Carla for always speaking so kindly of me. Your quiet but powerful demeanor always amazed me. I had the pleasure of being Marcus's kindergarten Church school teacher and fell in love with both of you way back then. I will always cherish our talks and Especially our time spent together just 2 weeks ago at my birthday party. God made it possible for us to spend that quality time together with many of the LHC Sisters. Thank you Father God for allowing your daughter to touch so many people lives in such a possible way. Carla, I will miss going to Chicos with you on our annual shopping trip with the ladies but I will continue to hold it down in memory of you. Carla until we meet again I Love you!!!
