Celebrating The Life Of Carlton Alberto Wells:

On the evening of November 19, 2015 Carlton departed this life. Carlton was visited and comforted by family and friends, while being attended to by the Hospice staff of St. Mary's hospital. Carlton was 81 years old.

Carlton A. Wells, Sr. was born July 27, 1934 the sole blessing of Adele Bradley and Elbert Wells.

A life full of many adventures, travels and love. Carlton's only heartbreak that befalls us all: when these things come to pass and end. Leaving behind memories and stories for some other to tell, so begins Mr. Carlton Alberto Wells, Sr. story.

A young man serving his country during a four year tour of duty (Air Force 310 BOMWG SAC) only to return home with the first love of his life, a brand new shiny car. As all young men do with toys: they find someone to play with, Carlton was no different and so found love. Through the loves of his lifetime his beautiful family was made.

From his honored service in the Air Force (having received the Nat Def SVC Medal and Good Conduct Medal) to a career ending with Carlton serving as Deputy Chief of Staff with longtime companion 'Councilwoman Barbara Rose Collins', this afforded international travel, extensive vacationing, boating,

fishing and camping with his loved family and cherished friends. Whether on his motorcycle, in his Cadillac, RV, on a cruise or in the air, Carlton is known for living life his way and on his terms.
