“ To the Family of Carmen B. Johnson: As I was told of Carmen's passing I immediately thought about my brother Glynn and the realization the God has taken another Angel from us hit me. We have been so close throughout all of the years from childhood going forward. Carmen is now at rest, she no longer has to be in pain ever and for this my heart is soothed. I do know that "TO BE ABSENT FROM THE BODY MEANS THAT YOU ARE PRESENT WITH THE LORD" and I know that is where she is. It is going to be hard for some time but know that the Lord is going to bring your family through it. I love all of you but if it weren't for me letting Carmen experiment with color in my hair 40 years ago I would not be blond right now, we shared that. Carmen I am going to miss "THE HAIRSTYLIST EXTRAORDINAIRE"!!!! I love you....RIP My Angel

“ To the Johnson, Burke Family: We the Chapman family do sincerely send our deepest sympathy and condolences to the family. Our families have been joined together as lifelong friends since childhood. There have been so many great memories formed and so many life experiences that we have shared, these things will always be with us. We share in the deep grief that your family is feeling right now but know that the Lord is the great Healer and Comforter and the pain that you are feeling right now is going to be subsiding each day as the Lord wraps His arms around our families and gives us peace and comfort. We are truly going to miss Carmen but she and your family will forever remain in our hearts. We the Chapman family will love you all until....

Respectfully,

Dealia Chapman and Family
