“ *Hello.... Carmen was my neighbor and I just wanna say how she will be missed by all of us that knew her and talked/ laughed with one another. She was always kind, sweet and loving. Kept a smile on her face and always warmed your heart. Just want to also keep her family, friends and loved ones lifted up in prayer as well. Thanks for being such a great neighbor.*

“ Dear Precious and Family,
In this life, we're blessed to have special people placed in our space for reasons beyond our understanding.
For mr, Carmen was one such person in my life. We progressed from a supervisor/staff relationship to one of Sisters in the spirit. I will miss encouraging and joy filled spirit. She had a beautiful mind and a heart of gold and a profound love for her children.
Be blessed
