“ *Paris,
I am so sorry friend for your loss, you have my deepest sympathy and condolences. There is a journey ahead of you of mourning and grief but also HEALING. Just know I'm going to be there every step of the way. I know your mother is so proud of you. It brings me peace that you, China, and India also have one another, such strong women. I am carrying you and your family in Prayer always. Paris continue to trust, rely, and lean on God our Father. I speak serenity, love, joy, and togetherness over you and your family.
