“ *My dearest Carolyn,
You will so be missed. Your life has been an exemplary life of conviction and service to others - a life that I know your family is very proud of. I am disappointed that I am not able to travel to attend your funeral and hug all your loving family members due to my own aging and failing health. Love to the family. Judy Ronan*

Dr. Ronan - March 09, 2018 at 10:35 AM

“ *I know that this is a very difficult time, but just know that you all had a dear and wonderful mother. She instilled in you all the things necessary to carry on without her. So look up and be encouraged, knowing that she is resting now. I pray that our Lord and Savior will comfort you and keep you. Praying for your strength. Marlene Heggie*
