

Ms. Carrie Lynn Fisher

June 22, 1967 - September 8, 2021

In Loving Memory Of

Carrie Lynn Fisher began her journey June 22, 1967 in Chicago, Illinois. Carrie was born to loving parents James and Sharon Fisher. Carrie has always been a very spiritual woman throughout her life, believing in a higher power and always believing that even when no one else is watching- God is.

Carrie grew up in Northwest Detroit with three brothers and one sister. They had a loving home on Strathmoor Street. Where she spent the majority of her childhood after James and Sharon got settled in Michigan. She attended and graduated from Mumford High School, where she met many of her lifelong friends that she still knows and loves to this day.

As an adult, she received her degree in Criminal Justice Sociology, and for years maintained positions on regional boards for Mental Health Advocacy. She was also a Notary Public and worked at various title companies throughout Metro Detroit. Always a quick learner, Carrie was willing to help her family and friends obtain jobs, grants, business loans or whatever else her quick wit found at her disposal. She never hesitated to go the extra mile for those she loved, nor did she bite her lip with those same loved ones. "If you lie you will steal, and if you steal you will kill to cover it up" was one of her favorite sayings, so she wouldn't tell a lie! She told it straight like it is, and it was up to you to accept the truth.

Carrie's journey ended peacefully September 8, 2021 at 12:15am. She leaves behind a loving mother, Sharon Fisher. Two adoring sons, David and DeRay Fisher, and her very special daughter, Carrington Floyd. She is also preceded by two granddaughters, who were the apple of her eye, Raelle and Rayonna Fisher. Her loving siblings are her brothers, John and David, and her sister, Sheila. And a host of nephews, nieces, cousins and friends that she loved very much.
