“ I had the HONOR of caring for Mrs McGlaun over the past 6 yrs. She was an absolute joy to me. I know two of her daughters who would bring her to our facility and she was always together. She was definitely big Moma Matriarch of her family. Her treatment time was around 1 1/2 hours but I would keep her 3 1/2 hrs and tell Vette I would call her when she was ready. I actually would put her in a private section and elevate her legs and cover her with 2-3 warm blankets and let her sleep. Then we would just talk about everything. I will miss her dearly ☐☐☐
