“ *Auntie Carrie,*

My heart is wounded. The connection through Daddy will never be broken. So grateful we were able to have meaningful, laugh filled conversations through the years. I'd say, "Auntie Carrie" and you would reply, "Say it again!" I would repeat those words. "Auntie Carrie" and you would just laugh! Your grace and dignity was a shining reminder of who and what a Queen should be. Flowers die but your presence is solidified in our hearts. From your New York relatives, our deepest condolences to the entire Morgan family. May The Lord provide comfort and peace during this extremely difficult time. There's no doubt, Carrie Morgan is driving a brand new heavenly car at top speed!

*Love Forever,
