“ *My dear friend I have NO words - only tears and memories since you left this earth.*

Thank you for our lifetime of shenanigans that only best friends could share during our youth.

Thank you for calling me friend over the years and God Moma to your only child many years ago. I will be here for Derek just as I have always wanted to be there for you. I love you so very much.

Prayers to all of Cassandra's family during this time of loss.

“ I never dreamed in a million years I would have to say "Goodbye" so soon. You were my friend since we were 7 years old. That is a long time to love someone. But you are my sister for a lifetime. So many memories, so little time and too much time just wasted. I know my sister your ae in heaven, and that is what gives me some peace. You brought me to Jesus and now that is where I must leave you. Tell my father I love you. Till we meet again on the other side....
