“ *I indirectly worked with Sam for a number of years at Comerica. I will always remember her as so full of life and happiness. I am so saddened by her passing as i know how excited she was to enjoy a long retirement. However, she lived so positive each day that she lived a more full, quality life than most people. I never met her children but they should know she talked about them all the time, how proud she was of them and how excited she would be when she would visit them. Rest in Peace Sam.*
