“ Though you're not here, I feel you near,  
Your love still shines, pure and clear.  
Heaven holds you, free from pain,  
While down below, I call your name.

In the stars, I see your face,  
In gentle winds, your sweet embrace.  
You're in God's arms, safe and true,  
Yet every breath, I'm missing you.

*There are not always words that can give comfort, but the God of ALL Comfort can reach the deep hurts of life. I pray God will give you all that peace that passes our understanding. May you be able to celebrate GG, Mom, Auntie, Grandma, and Mother Daniel's. Yes I included everyone we will all miss her. Celebrate her life. It was long and blessed!*

*Family,*

*Mother Daniels lived a long and fruitful life. I am so thankful to have been a part of it. Her reflection of God's love was her lifestyle. What a legacy she has left for all who knew her!*

*I am missing her now, but the fond memories give me joy, peace and a reason to keep smiling.*

*May God comfort you now and in the days to come, as only He can.*
