“ Memories are so comforting at times like this one memory of Cat in particular will always be special to me. When I was pregnant with Gary's daughter, Anosha. I pondered if my daughter would also want to hang out with Grandma Cat when she came of age. I never wanted to hang out with my granny going fishing and to church was not on my to do list. When Anosha became of age she too wanted to hang out with Grandma Cat. I can only imagine that the special love Cat shared was a magnet that pulled her grandchildren and family together. May peace replace our sorrow. Deborah Cuthbertson
