“ *We used to work together at Burger King and she would fuss at me over the littlest thing but her beautiful smile would always have us like okay she's here Cavina even when I bumped into you later there was something impressionable about you its almost like when you see a flower about to blossom we used to be together but I can only pray to the Lord he'll wrap you in his loving arms and hopefully I'll be able to see your beautiful smile love you forever*
